- Ticket sales for dinner (Deliman's burgers) are open. See Hot Sync for details. A dinner ticket is not required to attend
- Donations are still coming in. Any and all donations are welcome. Networking groups will be creating theme baskets. Ask you learner's what their group is doing and how you can help! Gift card donations (small, less than \$20) would be a very welcome donation.

- Kelly Durso will help secure a donation of paint stirrer sticks
- There is a need for 8 ½" x 11' frames to display various certificates. If you can donate, please contact Brandy

### **Mardi Gras (cont'd)**

- Board members advised Brandy that we have previously used M-Signs to create outdoor signs. A city permit is also required to place signs in Coppell
- Brandy will work with the PTSO publicity committee to get information in the Coppell newspapers soon
- Two blankets, created from squares made by geometry students, will be assembled. One will be in the live auction and the other will be donated to the Habitat family
- In addition to dinner and the auction, there will be booths set up around the school
- This week's HotSync has volunteer sign-up links
- Tabitha stressed that while the Mardi Gras event will raise funds, it's also about having fun. She encouraged everyone to attend, regardless of whether they plan to participate in the fund-raising activities. It will be a fun, community event

### **Shattered Dreams**

- On April 1, CHS and NTH will jointly host a Shattered Dreams event for juniors and seniors to increase awareness of alcohol and drug abuse. The event will feature a fictitious party scene followed by a demonstration of potential follow-on consequences. Learners volunteering for special participation in the event are to have their signed parental consent forms returned by Friday.
- Please let Tabitha or Connie Braun know if you know of a tall male who might be willing to play the role of grim reaper for the event. The selected individual should be unidentifiable (even in costume) to juniors/seniors. He will not talk, but must have a "presence" to underscore the importance and purpose of the event

### **Service Learning**

- JoAnn Hill provided an overview of work to-date on the New Tech Habitat for Humanity house. Thanks to all the parents and learners who have volunteered thus far. The Habitat team has been very pleased and impressed with NTH learners
- Last weekend's activities were cancelled due to weather. We are still waiting for information on whether there will be a re-scheduled work day
- On volunteer days, learners and parents should meet at NTH at 7:00 AM and travel as a group to the house. Tabitha prefers to not have students driving to the site when not with the group.
- Pot Belly's will be donating food for the event, thanks to positive word of mouth about the event

### **Fundraising**

- Jackie Eslick reported that New Tech won \$2,500 for Phase I of Our School's Cool at Vista Ridge. Please continue to submit receipts as an additional \$7,500 will be awarded in May
- All Vista Ridge receipts are eligible (food, movie, etc.). Large purchases such as appliances from Sears are fantastic! Wednesday receipts are awarded double value

- The next meeting will be Tuesday, March 7

Anne closed the meeting with a quote by Ronald Reagan: "There is no limit to what a man can do or where he can go if he doesn't mind who gets the credit."
